B. E. P. Q.--385 (2d Rev.) August 24, 1937

CLASSIFICATION OF BARBERRY AND MAHONIA PLANTS UNDER BLACK STEM RUST QUARANTINE REGULATIONS (QUARANTINE NO. 38)

The rules and regulations supplemental to Notice of Quarantine No. 38, Revised, effective September 1, 1937, provide that no plants, cuttings, stocks, scions, buds, fruits, seeds, or other plant parts capable of propagation, of the genera Berberis, Mahonia, or Mahoberberis, "shall be moved or allowed to be moved interstate from any State of the continental United States or from the District of Columbia into any of the protected States, namely, Colorado, Illinois, Indiana, Iowa, Michigan, Minnesota, Missouri, Montana, Nebraska, North Dakota, Ohio, Pennsylvania, South Dakota, Virginia, West Virginia, Wisconsin, and Wyoming, nor from any one of said protected States into any other protected State, unless a permit shall have been issued therefor by the United States Department of Agriculture, except that no restrictions are placed by these regulations on the interstate movement either of Japanese barberry (Berberis thunbergii) or any of its rust-resistant varieties, or of cuttings (without roots) of Mahonia shipped for decorative purposes and not for propagation." (See Reg. 2-a.)

The protected States referred to below under group B are the seventeen barberry eradication States named in Regulation 2-a, quoted above. Barberry and Mahonia plants other than those listed in groups A and B may not be shipped interstate into any of the protected States.

S. A. ROHWER,

Acting Chief, Bureau of Entomology and Plant Quarantine.

UNIVERSITY OF FLORIDA
3 1262 09245 2613

A. Barberries which may be shipped interstate to any State without permit or restriction

Berberis thunbergii
" thunbergii atropurpurea
" thunbergii maximowiczii
" thunbergii minor
" thunbergii pluriflora
" thunbergii pluriflora erecta

B. Barberries which may be shipped into or between protected States under Federal permit

Berberis aemulans
" aquifolium (Mahonia)
" beaniana
" buxifolia
" candidula
" chenaultii (hybrid)
" circumserrata
" concinna
" darwinii
" dictyophylla var. albicaulis
" diversifolia
" edgeworthiana
" gagnepainii
Berberis gilgiana
" julianae
" koreana
" mentorensis
" nervosa (Mahonia)
" potanini
" repens (Mahonia)
" sargentiana
" sanguinea
" stenophylla (hybrid)
" triacanthophora
" verruculosa

Application for permits should be addressed to the Division of Domestic Plant Quarantines, Bureau of Entomology and Plant Quarantine, United States Department of Agriculture, Washington, D. C.
